MATH 131 Homework Assignments

Instructions: Complete each problem on your own paper, leaving adequate room for grading remarks. All work you submit should be neatly organized and legible with final answers clearly indicated. Multiple pages must be stapled together and any notebook fringe removed. Make sure the assignment has your name, course number, the assignment title, and list of assigned problems written clearly at the top of the first page. Assignments should be formatted as follows. Assignments that do not meet these standards will not be graded.

```
